

**The Easy2Clean Tray - because cleaning should be effortless**

The Easy2Clean Tray has a non-stick ceramic coating so you can cook without baking paper. Also, it doesn't allow grease and dirt to stick, so all you need is some water, a wet cloth, and some dish soap to effortlessly keep it clean.

Electrolux Easy2Clean-plåt för ugnar och spisar. Med den innovativa keramiska Non-Stick beläggningen behövs inte bakplåtspapper längre. Frihet att laga mat på ditt sätt kombinerat med enkel rengöring. Innehåller 1st. H: 22 mm / B: 466 mm / D: 385 mm.

Produktfördelar**The freedom to cook your way - with the Easy2Clean Tray**

The Easy2Clean Tray has an innovative ceramic coating that offers you the freedom to cook desserts or salmon without baking paper or additional oiling. Its distinct surface allows food to easily slide from the tray onto the plate.

**Cleaning up is now easier than ever with the Easy2Clean Tray**

With its XERADUR 2 coating from ILAG®, the Easy2Clean Tray lets you skip the soaking, scrubbing, and the harsh chemicals. All you need to clean the Easy2Clean Tray and get it gleaming again is a wet cloth, warm water, and some dish soap.

**The Easy2Clean Tray. Safe and durable non-toxic cookware**

The Easy2Clean Tray is a non-toxic and environmentally friendly oven tray. Its ceramic coating is free of PTFE and PFOA synthetic compounds, which can be harmful at high temperatures. Cook safely and confidently with the Easy2Clean Tray.
